Shout Outs

We Family: My Cousin John

What has been
your relationship
with money,
what does it
mean to you?

Negative Association with Money

“Self Sabotage”

- Mo Money Mo Problems (Notorious B.I.G.)
- More Responsibility
- They Think you “All that”
- Filthy rich
- Money doesn’t grow on Trees
- We can’t afford that
- I just want to be comfortable
- **Love** of Money (unhealthy relationship)
- Time is Money

REMIX to Positive

- I have an abundance to give
- I am able to help fund my kids dreams
- Money doesn't get in the way of my ministry
- I have time to serve like never before in the Kingdom
- I am able to be a blessing to my family, my church and my community

Myths of investing

- You have to be rich to be an investor-
- You can only invest money
- You have to be an expert in order to invest
- All about fast money
- If you invest you will make money every time
- Time is Money

ACCELERATED JOURNEY: Comfortable → Wealthy

Save	Save more and invest the difference
Earn	Earn more and invest the difference
Reduce	Reduce fees and taxes and invest the difference
Get	Get better returns
Change	Change your lifestyle

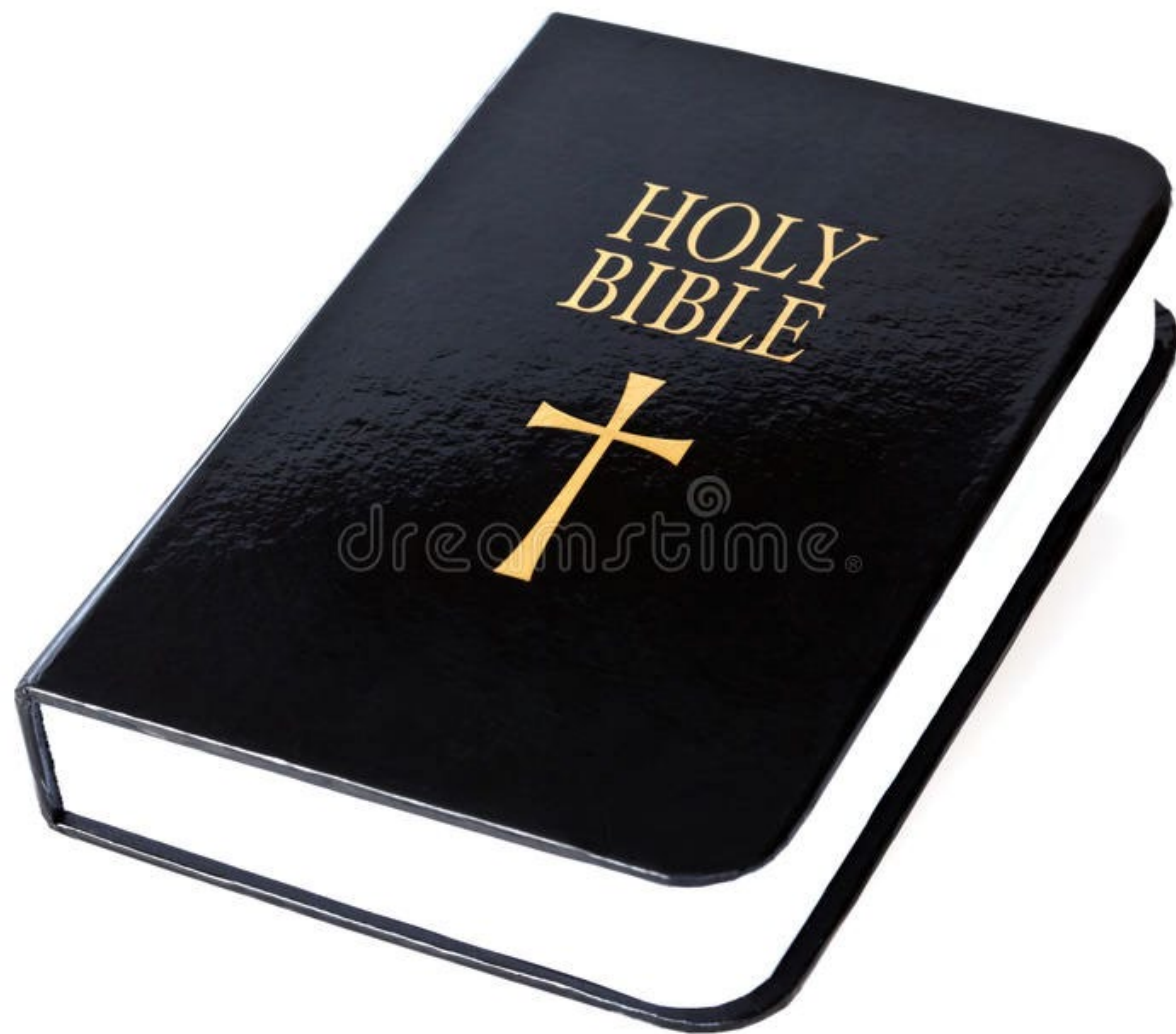

Practical – Right Now Steps

- Track your spending. Write it DOWN!!
- Max out your job!!
- What do you want!! - Take the time to define what you want!!
- Are the things I am spending my money on today, getting me to the results I want in the future
- Invest at least 20% - In things that you can't spend
- Don't save... Invest - let your money grow
- Educate yourself - how does money work....

Thank
You

BONUS CONTENT

Consumer

- **Consumer** - a person who gets their money and they spend it
- We are ALL consumers sometimes
- Don't always be a consumer, it's ok sometimes... don't consume with all of your money.
- Consumers are OFTEN broke And Don't know it
- Consumers give everything away
- Many Consumers Dislike Sales jobs, but Love to Buy

Producer

- **Producer** is the opposite of a consumer
- A **producer** produces the things that other people consume
- You want to be a producer of something
- Investors are producers
- Investor and producers create products for the spenders and consumers
- Save, invest, produce products for consumers,

Investor

- **Investor-** someone who likes to invest
- Taking your money and putting it into something so you can get more later
- Delayed gratification
- More you invest now the more you get later
- Stocks, home, land, people
- YOU Can invest time and energy
